Full orchestral arrangements to accompany 24 standard carols divided alphabetically by title into three sets. For each carol there is an introduction, several different arrangements of verses labeled A, B, C etc., and, where it exists, one or two versions of the chorus. This should enable a conductor and the orchestra to play any number of verses in any performance. Titles range from Angels, from the Realms of Glory -to- We Three Kings of Orient Are. Each set retails for \$50.00 and is rated medium difficult.
