ORCHESTRA SALES AND RENTAL CATALOG

Within these pages is the most complete and comprehensive orchestral catalog available anywhere.

We have listed works from many publishers as well as our own and carry them in stock for your convenience. If the composition you are looking for is not listed in this catalog, feel free to inquire and we will research and locate it for you if it's available. The words The, A, An and their foreign equivalents, including Der, Le, Von, etc., are usually disregarded in the alphabetizing of titles and composers' names: "Les Nuits d'ete" is alphabetized under "Nuits"; "D'Albert" is under "A".

All prices for sets are preceded with a set type. The set type indicates the string complement included in each set, along with one of each part as required in the conductor score.

SET TYPE }	(A) STR = 1•1•1•1•1	(B) STR = 5•5•3•3•3	(C) STR = 8•8•5•5•5	(D) STR = 4•4•3•2•2	(M) STR = AS INDICATED
-------------------	---------------------	---------------------	---------------------	---------------------	------------------------

Concerto solo parts, where available, are generally not included in the sets unless so indicated. If a separate price is given for these, they are available and must be ordered separately.

We appreciate receiving information from our customers concerning errors in our publication, and we make every effort to incorporate those corrections into our material, either by correcting our existing editions as soon as it is practical to do so, or, if necessary, by replacing the entire edition.

The Rental fee includes: A conductor's score (when available), a set of parts and up to a total of 31 string parts, for a period of two months including shipping time. Additional rental periods are charged at one-half the original fee for each month of additional time. Rental fee is for use of the music only and does not include performance fees where applicable. Performance fees are the responsibility of the user. To assure availability of rentals, reservations should be placed in advance. Separate scores and/or parts are not sent on rentals. If a partial orchestration is desired, the full rental fee will apply.

To insure complete satisfaction, and prompt delivery, orders for material from this catalog **SHOULD BE PLACED DIRECTLY WITH LUCK'S MUSIC LIBRARY**. When ordering, please indicate your account number, catalog number, composer's name, composition and all parts desired. Shipments are made via UPS unless directed otherwise. Shipping charges are additional and are F.O.B. Madison Heights, Michigan.

We encourage you to take advantage of our **EXAM SCORE POLICY**. Upon request, examination scores will be sent on approval to provide you with the opportunity of reviewing new and unfamiliar publications prior to purchasing them. The continuation of approval service requires that a reasonable percentage of items sent on approval be purchased. Your compliance with this policy, and a careful appraisal of the items sent, will be appreciated.

Because of this unique service, be advised that all publications purchased will be shipped on a **NON-RETURNABLE** basis. Returns will only be authorized for orders filled incorrectly or with defective publications. Requests for return authorization must be made within two weeks of delivery and must indicate the invoice number on which the materials were billed. No authorizations will be granted after two weeks and no credit will be issued for exam scores or merchandise unless properly wrapped and received in the same condition as when it was originally shipped.

This catalog contains the copyright of many publishers and is intended for use throughout the world. The copyright and other laws regarding importing of music vary in each country and there may be import restrictions. It will depend on the current laws of your country to determine if a particular composition can be imported. Therefore, it is the responsibility of each importer to comply with the copyright laws of their own country.

PRICES of compositions fluctuate with the various publishers and are therefore **SUBJECT TO CHANGE WITHOUT NOTICE**.
